

## 1. DECLARATION OF EXEMPTION OF RESPONSIBILITY OF THE ORGANIZERS

The undersigned declares under his own responsibility and for any accompanying persons of the aforementioned event to:

- Have been informed in advance about the characteristics of the event
- Have evaluated for himself and for his companions that the same is in accordance with his physical aptitudes and technical abilities
- Have accepted the program in its entirety

During any excursions and / or activities inside and outside the structure of the conference BIOFABRICATION 2022:

- Keep and guarantee for himself and his companions a disciplined behavior
- Collaborate with the organizers and / or managers in order to guarantee maximum safety for all
- Use the utmost caution in all proposed activities
- Use any equipment suitable for the type of activity

In consideration of any risks and dangers inherent in the performance of the entire program, the undersigned relieves for himself and his companions Pragma Congressi S.r.l. and its collaborators from any responsibility for any accidents of any nature that may occur during the same.

Pursuant to and for the purposes of Articles. 1341 and 1342 of the Italian Civil Code, the undersigned declares to have carefully examined all the clauses contained in the aforementioned declaration of exemption of responsibility of Pragma Congressi S.r.l., to have previously informed their companions and to specifically approve all the points listed.

## 2. PRIVACY NOTICE PURSUANT TO ARTICLE 13 OF REGULATION (EU) 2016/679

The information herein is given in compliance with article 13 of Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (General Data Protection Regulation or GDPR) to individuals interested in receiving news, information, invitations, publications, announcements and newsletters relating to Biofabrication 2022 Conference.

### Data Controller

For the purposes of the GDPR (article 24) the Data Controller is:  
Pragma Congressi srl  
Corso Mazzini 14, 27100 Pavia, Italy

### Data Processor

1. Holocron srl  
Corso Italia, 59, 56125 Pisa Italy
2. Dr. Carmelo De Maria
3. Prof. Giovanni Vozzi

### Type of data processed

As part of our activities, we collect and use personal data provided by you, to attain the purposes set out below.

- Communication and promotion of the activities of the Conference e.g. news, information, invitations, publications, announcements and newsletters via e-mail; - provision of services related to the activity referred to above;
- collection and publication on the company website and social channels of photographic and digital video material relating to your person in relation to participation in the events organized, for mere advertising purposes;
- fulfill the pre-contractual, contractual and tax obligations deriving from existing relationships;
- fulfill the obligations established by law, by a regulation, by community legislation or by an order of the Authority (such as in the field of anti-money laundering);

### Data access

The data may be made accessible for the aforementioned purposes:

- to employees and collaborators of the Data Controller and processor, in their capacity as persons in charge and / or internal managers of the treatment;
- to third-party companies or other subjects (as an indication, hotels, locations for conference events, services providers for the event, etc.) that carry out outsourced activities on behalf of the Data Controller, in their capacity as external data processors.
- to The International Society for Biofabrication (ISBF)

### Data Subject Rights

In relation to your personal data, you can exercise your rights as data subject under the GDPR. You have the right to withdraw your consent at any time. The rights can be exercised in writing by sending an email to [info@biofabrication2022.org](mailto:info@biofabrication2022.org).

It should be noted that for the exercise of the aforementioned rights it is possible to consult the following link of the privacy guarantor containing the relative forms: <http://www.garanteprivacy.it/web/guest/home/docweb/-/docweb-display/docweb/1089924>

Where applicable, you also have the rights referred to in Articles. 16-21 EU Regulation n.679/16 (Right to rectification, right to cancellation, right to be forgotten, right to limitation of processing, right to data portability, right to object), as well as the right to complain to the Guarantor Authority where the conditions are met.

### How data is processed

We process your personal data on paper or electronic form and enter your data into relevant databases that may be accessed – hence your data be disclosed to – conference organizers.

Data retention period

The storage of the personal data provided will take place for the entire duration of the assignment conferred and for a further ten years.

Consent to data processing

You are free to give or withhold your consent to processing of your personal data for the purposes above. We need your freely given consent to send you news, information, invitations, publications, announcements and newsletters regarding Biofabrication 2022. Should you deny your consent, we will be unable to send you said communications.

**I AGREE** pursuant to and for the purposes of art. 7 et seq. of Regulation (EU) no. 2016/679, with the signing of this form, to the processing of personal data in the manner and within the limits set out in this document.
